MESSAGE

It gives me prodigious pleasure to know that the Navodaya Vidyalaya Samiti is all set to introduce **Shaala Darpan** in all the Jawahar Navodaya Vidyalaya (JNVs) located in the length and breadth of our country.

Navodaya Vidyalaya Samiti has unprecedented mark in the annals of School education system of our country. It has proved itself a successful model of inclusive growth at the grass root level in providing modern education to talented students hailing from rural areas and impart quality education at par with the schools of metropolitan cities. These schools provide the best available resources and opportunities to enable them socially valuable, morally upright and educationally competitive. They are recognised as focal points of learning and holistic development. The consistent and top performance in the CBSE and different professional exams has ensured that Navodaya Vidyalayas are one of the foremost and successful institutions in this country.

The **Shaala Darpan** will be a step forward in the direction of fulfilling the vision of digital India of our Hon'ble Prime Minister Shri Narendra Modi. At one hand, it integrates all the JNVs of our country on a uniform system, on the other: it equips and endows all the stake holders with relevant and required information at their finger tips.

"Shaala Darpan" is expected to enhance the efficiency and transparency in governance and improve the efficacy of academic delivery system. I appreciate the sincere efforts of the NVS in the direction of technological advancement.

At this moment, I extend my best wishes for the success in implementation of the project "Shaala Darpan" in NVS.

(PRAKASH JAVADEKAR)
