MESSAGE

“Inspiring excellence”

“By education, I mean an all-round drawing of the best in child and man in body, mind and spirit”

- Mahatma Gandhi

Navodaya Vidyalaya Samiti, Hyderabad Region established in the year 1986-87 with 17 Jawahar Navodaya Vidyalayas has now grown up with 77 glorious institutions in each district out of 660 such schools throughout the country.

Being co-educational residential schools, they are imparting quality modern education to the talented children predominantly from rural areas of the district.

Our goal is to develop the student as an individual who has acquired the content, knowledge, application and understanding abilities through various experiences and develop into a physically strong, economically productive, socially useful human being with qualities of discipline, determination, devotion, confidence, commitment, courage, competency and compassion from this residential school setup. Students after completion of their education in JNVs are now holding key positions, working as catalysts for bringing out positive changes in the society and playing major role in nation building process.

Navodaya Vidyalaya Samiti, Hyderabad Region has been producing excellent academic results and is consistently on top among other regions of NVS.

This is the era of Information Technology and its inestimable potential is to be harvested in our education system. **Shala Darpan** is a step forward to realise this.

I convey my appreciation to all students, teachers, Principals and other staff members of JNVs along with my team of officers and staff members of the Regional Office. My gratitude goes to Hon'ble Commissioner and other officers of Navodaya Vidyalaya Samiti for their continuous encouragement and support.

I sincerely hope that this website will provide information relevant to the viewers about Navodaya Vidyalaya Samiti, Hyderabad Region and the suggestions for further improvement is welcome.

A.Y.Reddy
